Letter no A1 - 3756 | 34-35 dated 8th Aug 1935, from the Commr Bangalore city, forwarding for sanction a revised estimate for Rs 65000/-, for the construction of 250 houses in the Labour colony near Sreeramapuram, Bangalore city -

W/ file 4899-4902 23-24-35 relating to G O no L 4899-4902 Rev 221 | 35 sanctioning an estimate for Rs 525000/- for the construction of 250 houses as put up.

The reasons for the increase in the estimate have been explained in the report accompanying the Commr's letter

3 While sanctioning the estimate it was stated that the amount of Rs 525000 would be met out of the loan amount sanctioned to the Municipality, but it is now stated that the extra amount (viz) Rs 20000/- will be met out of the closing balances in the current year budget

4 According to the calculations worked up, as at present the budget for 1935-36 results in a deficit of Rs 99000 and it is not clear how the deficit is to be met and how to arrange to meet this heavy amount. Before sanctioning the estimate it appears desirable to ascertain the precise

* This sum is reduced to Rs 7500 on account of labour charges & the total cost as revised will be Rs 72500 against the original estimate of Rs 65000
